

REMARKS

Responsive to the Notice to File Correct Application Papers mailed July 16, 2010, applicant requests entry of the foregoing amendments. The drawings have been amended to use the term "Figure", as appears in the brief description, in place of "Graph".

In view of the foregoing remarks, applicant respectfully submits that claims 1-9, 13 and 21-24 of the present application are in condition for allowance and prompt favorable action is solicited.

Respectfully submitted
